Q: Will masks and social distancing be required?

_____ A: Leadership York's policy will follow the recommendations and policies of the location we are visiting and meeting for each session. Out of respect for our speakers, tour sites and meeting locations, Leadership York participants will be required to follow their protocol. Planning Committee members will communicate expectations prior to meeting dates via the email address provided.

Q: Is there a dress code?

_____ A: Unless otherwise noted, Business Casual is accepted. *(No jeans, flip-flops or t-shirts at any of the scheduled sessions.)* Some of the sessions we do a lot of walking—so comfortable shoes are essential. You are expected to wear your provided name tag at all times of any Leadership York session. Remember...you are representing YOUR employer and the program.

Q: What if I have a food allergy or diet restrictions?

_____ A: We will do our best to accommodate your needs---please identify those needs on the application under General Information.

Q: Will there be other meetings to attend outside of the regularly scheduled ones?

_____ A: Each classmate needs to attend a City Council Meeting, York School Board Meeting or County Commissioners meeting. Participants may be given a schedule of meeting times and locations but it is your responsibility to confirm and attend. Classmates will give a brief oral report of meetings attended at each session.

Q: What is a typical Leadership York session like?

_____ A: We start the morning with light refreshments and then one of our Corporate Sponsors will visit with the group regarding their business. Each session has a theme and we will hear from experts in the field of work during the day. Many speakers will come to the group, but there are times when we want you to experience an on-site visit. There will be a lunch break—which is included in your tuition along with sponsorships from various businesses. There will be several break times built into the schedule for you to check messages—**ALL CELL PHONES SHOULD BE ON VIBRATE OR TURNED OFF WHENEVER A SPEAKER IS VISITING WITH THE GROUP**. We usually end the day around 4:00 pm. **IT IS REQUIRED THAT A BRIEF EVALUATION FORM BE FILLED OUT AND TURNED IN AFTER EACH SESSION.**

Q: What if I need to miss a session?

_____ A: Hopefully you will have blocked off all the sessions ahead of time...but we realize situations come up. If you cannot make a session—contact your **Planning Committee Mentor** as soon as possible either through email or phone. If it is an illness that keeps you away from the session, you can miss 1 session and still be able to graduate. Work related absences are also acceptable. If you miss more than 1 of the 9 sessions, the planning committee will determine if you are eligible to graduate.

Q: Is there a contact person if I should have questions about the program?

_____ A: Each member of Leadership York will be assigned to a Planning Committee Mentor to answer any questions, provide direction and guide the participant throughout the program. You will be introduced to your Mentor at the Orientation session held in early September. That person will be with you for the entire run of the year.

Q: What is “Flavors of York County”?

_____ A: This is an annual fund raiser coordinated by the Class of Leadership York. It is an event that brings local caterers and food service providers to your location of choice to give samples of their foods. Tickets are sold to the public and the money raised is donated to a charitable group or specific project selected by the class. Time is allotted during each session to talk about the program, but all planning of the event should take place either after our session is finished, or on your own. The event is one the community looks forward to each year and it’s a marvelous public relations bonus for Leadership York.

I understand the purposes of the LEADERSHIP YORK program and, if I become a participant, will devote the time and energy necessary to make it a successful experience. I also understand that my submission of this application does not guarantee my acceptance into the program. Should a change in employment occur during the time of the program, it will be up to the participant and the employers involved to settle any tuition issues—the Leadership York Committee will NOT get involved in crediting an employer or making any refunds.
