

To Whom It May Concern:

May 16, 2023

The Yorkfest Royalty Committee is pleased to forward the attached nomination form to you for the 2023 Yorkfest King and Queen celebration. You are asked to nominate deserving candidates for both the King and Queen for the annual York County celebration which takes place from Thursday, September 7 through Sunday, September 10 of this year.

Please think of candidates for king or queen or both from a York County community who stand out as a result of their contribution and then complete the attached form. The nomination and selection committees indicated, after last year's submissions, that those narratives with complete justification, specific examples of contributions and personal comments provided by the nominating individual were more helpful in screening the candidates and eventually selecting the King and Queen.

Your nomination must be hand delivered or mailed to the York Chamber of Commerce by June 16, 2023 or at least postmarked by that date. Email instructions are included on the nomination form if you choose to submit your nominations via that means.

The past Royalty and the York Chamber Executive Board thank you for considering and nominating an individual or individuals who have represented York County businesses, organizations, or communities with distinction. Since its beginning in 1979, Yorkfest has been blessed with great royalty who have represented York and York County in an outstanding manner.

The Royalty Luncheon & Coronation will be at noon on Friday, September 8, 2023 at the York Country Club. The King and Queen will reign over the Yorkfest weekend and then at optional activities which they choose to attend throughout the year until they relinquish their honor at Yorkfest 2024.

Before closing, we ask that you mark your calendars for 12:00 p.m., Friday, September 8th for the coronation. Join us at the York Country Club to recognize the two outstanding individuals who will be the 45th pair to be honored!

Irene Duncan, Co-Chairman
Yorkfest Royalty Committee
